## Education:

### **Drexel University**

Bachelor of Science in Computer Science

Awards: Drexel Promise Scholarship

**Philadelphia, PA**

June 2028

### **Reading Area Community College**

Associate of Arts in Computer Information Systems

GPA: 3.863

Awards: President's List, Dean's List, Phi Theta Kappa

Honors: Magna Cum Laude

**Reading, PA**

May 2024

## Experience:

### **Personal Resume Website**

Solo Website Developer

**Philadelphia, PA**

September 2024 - Present

- Create a personal portfolio webpage using HTML, CSS, and JavaScript from scratch
- Establish individual subsections for various resume contents including education, experience (jobs, future internships, volunteer work, and skills), and projects; as well as a footer featuring links to personal contact information including GitHub and LinkedIn profiles, phone number, and email address
- Update website as new experience or projects emerge, or any style changes wanted

### **Giant Food Stores**

Checkout Coach

**Pottstown, PA**

January 2024 – Present

- Supervise the front end to ensure functions ran smoothly between the cashiers, self-checkout, and the customer service desk
- Listen to customer concerns or issues involving other employees' quality of service, pricing disputes, and technological malfunctions with the Giant App
- Solve issues that arise in the front end from employees and customers including price adjustments, defective products, and monetary concerns

### **Shenkel United Church of Christ**

Website Manager

**Pottstown, PA**

December 2023 – July 2024

- Managed the church's website and updated when needed through Wix.com with the content provided by the church officials
- Taught 3 church office administrators how to use Wix and add content themselves
- Collaborated with the secretary on any content that needed to be adjusted throughout the various pages
- Troubleshoot issues that arose from the administrators attempting to input content alone, such as, the website not properly displaying the added changes and changes not saving properly

## Skills:

**Languages:** Python, HTML, CSS, Java, JavaScript, MySQL

**Technical:** Computer Literacy, Command Line Interface, Git

**Productivity:** Microsoft Word, Microsoft PowerPoint, Microsoft Excel, Microsoft Access, Time Management
